Rationale

The DOBCEL Board is committed to:

- zero tolerance of child abuse;
- listening to and empowering children and young people; and
- keeping children and young people safe.

The DOBCEL Board has particular responsibilities for the safeguarding of children and young people as required by Ministerial Order No. 870: Child Safe Standards – Managing the Risk of Child Abuse in Schools (MO 870). This places accountability for managing the risk of child abuse in schools with the DOBCEL Board. Consistent with MO 870, the DOBCEL Board requires the schools it governs to have appropriate arrangements to regulate the conduct and decisions of school staff to develop and embed a culture of child safety for all students.

These arrangements include implementing and complying with the DOBCEL Child Safe Policies and having clear and comprehensive procedures and reporting mechanisms. The objective is for the DOBCEL Board and the wider school community to be confident in the school's capacity to make and implement appropriate decisions, with child safety as a guiding principle.

DOBCEL is committed to supporting schools to take a proactive role in the care, wellbeing and protection of children and young people.

The DOBCEL Board maintains governance oversight of DOBCEL Schools. Catholic Education Ballarat, under the direction of the Executive Director, support, and monitor DOBCEL Schools to be safe for children and young people and are places where children and young people can flourish.

Principles

Gospel values and the principles of Catholic Social Teaching are reflected in DOBCEL policies for the care, safety, and welfare of students. These values influence both DOBCEL actions and response in promoting environments that are child safe:

Participation of all members of the Church – the Catholic Social Teaching principle of Participation recognises that all members of DOBCEL school community have a role in the protection of children. All have a responsibility to be inclusive in schools, workplaces, the church, the neighbourhood and in decision-making processes.

Effective participation will ensure that the talents, skills and gifts of the Holy Spirit bestowed upon ... [all] ... are utilised in the service of God and the mission of the Church. The consequence of such participation is likely to be more faithful stewardship of the mission and resources of the Church⁶

Human dignity - Our common humanity requires respect for and support of the sanctity and worth of every human life.

Common good - The common good is reached when all work together to improve the wellbeing of society and the wider world. The rights of the individual to personal possessions and community resources must be balanced with the needs of the disadvantaged and dispossessed.⁷

The DOBCEL Board will periodically review the effectiveness of the strategies developed for implementation in schools and, if considered appropriate, revise those strategies.
