

Always recycle

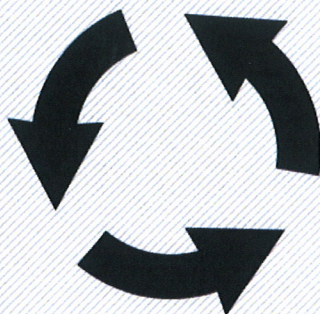

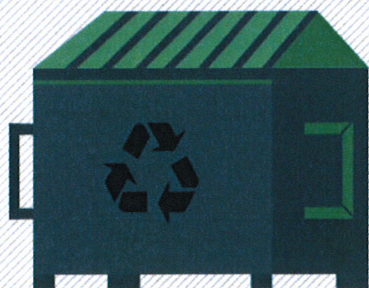

Who you can tell to recycle-
school students , parents and
school community.

Things you can recycle-
milk cartons
plastic bottles
paper
fruit box
and a lot more other things
that can be recycled.

Did you know?
When we are putting
rubbish in the recycle bin
you are making lots of
rubbish and by recycling we
are reusing the stuff we
throw out. If we don't
recycle our landfills will get
bigger and it will affect our
world.

Ways we can try and stop this-
always recycle object that can
be recycled.

Buy a yellow bin to recycle.
If you don't have a recycle bin
you can get a big basket and
put all of your recyclable
objects in it.

If you see something on the
ground like a piece of rubbish
pick it up and put it in the bin if
you can recycle it put it in the
recycle bin.
