

St Joseph's Primary School, Hopetoun Complaints Handling Policy

St Joseph's Primary School, Hopetoun operates with the consent of the Bishop of the Catholic Diocese of Ballarat and is owned, operated and governed by Diocese of Ballarat Catholic Education Limited (DOBCEL).

Rationale

St Joseph's Primary School, Hopetoun is committed to ensuring that the school is a community of faith, hope and love where communication takes place in an environment of transparency, respect, compassion and inclusion in the interests of all.

Catholic teaching emphasises the primacy of families, caregivers and guardians as the first teachers of their children. Within all schools, there are times when misunderstandings and concerns arise. In addressing these matters, St Joseph's Primary School models the love of Christ and the teachings of the Catholic Church. The dignity of each person, belief in the common good and the Catholic Social Teaching principle of subsidiarity will inform the manner in which St Joseph's deals with stakeholders and school communities including the way complaints are managed.

This policy provides a framework for reporting, recording, investigating, finalising, reviewing and monitoring complaints and their outcomes. It provides surety and support for all stakeholders through what can be a difficult process.

Positive, clear and effective procedures and processes for resolving grievances between the school and community members can assist in the building of strong relationships, dispelling anxiety and ultimately providing children and young people with settled and happy learning environments.

The collection and analysis of data regarding complaints can be used to inform policy, practice and strategy for all DOBCEL schools.

The Complaints Handling Policy supports compliance with the *Ministerial Order MO 1359 Implementing the Child Safe Standards- Managing the Risk of Child Abuse in Schools and School Boarding Premises* by:

- outlining the process and procedures for managing complaints at the school
- ensuring that the school meets its obligations to respond to complaints in a fair, effective and efficient manner
- informing children and young people, families, caregivers and guardians how to make a complaint about the school in ways that are easy to read and child- focussed
- outlining the school's procedures and escalation points in complaints handling
- outlining the procedures to be followed by Catholic Education Ballarat when a matter has been referred from a DOBCEL school for investigation

The Policy does not relate to critical incidents, emergency management, criminal offences or the conduct of those in religious ministry.

Policy Statement

St Joseph's Primary School, Hopetoun strives to provide positive, clear and effective processes for resolving grievances between the school and parents, caregivers and guardians or children and young people. This can assist in building strong relationships, dispelling anxiety and ultimately provide a settled and harmonious learning environment. The *Complaints Handling Policy* seeks to restore fair and respectful relationships.

St Joseph's Primary School, Hopetoun endeavours to ensure that complaints are managed and resolved fairly and in a timely manner. This policy and procedures have been developed in accordance with the Diocese of Ballarat Catholic Education Limited (DOBCEL) Complaints Management Policy.

Complaints of a school-based nature are best received and managed at the local school level, with the parties involved expected to act in good faith and work together with respect and openness to achieve an outcome acceptable to all parties.

Unresolved complaints about DOBCEL schools can be referred to DOBCEL's Catholic Education Ballarat office.

Any concerns regarding a perceived breach of the Minimum Standards for Victorian Registrations and Qualifications Authority (VRQA) school registration can be referred to DOBCEL's Catholic Education Ballarat office. If these concerns are unable to be resolved, the Catholic Education Commission of Victoria (CECV) acts in accordance with the Memorandum of Understanding with the Victorian VRQA to investigate alleged breaches of the Minimum Standards in accordance with Sections 4.2.2 and 4.2.3 of the Act.

Anonymous complaints will be reviewed, as appropriate. In some situations, complaints may not be able to be fully addressed if they are made anonymously or without sufficient detail provided to enable a fair review or resolution of the matter.

A record will be kept of all formal complaints. A written record of complaints which relate to the Child Information Sharing Scheme (CISS) and the Family Violence Information Sharing Scheme (FVISS) will also be kept.
