

St Joseph's School, Hopetoun

Supervision of Students Information for Parents

Students are supervised from 8:30am each morning until 3:15pm. No formal supervision of the playground occurs outside those hours.

Classroom supervision commences at 8:30am each morning whilst students are having diaries and homework checked and changing at home reading books. Students are not to be in the classroom at any stage during the school day without the supervision of a teacher.

Teaching staff provide playground supervision from 11am-11:30am and 1pm-1:45pm.

Students travelling on the bus are supervised each afternoon whilst getting on the bus at St Joseph's School. Students who are walking are supervised by the teacher on bus duty until they reached the school crossing. Those students who are crossing the highway are supervised by the teacher.
